

NIBB Internship Program

Before applying, we ask for your consent to the following items. NIBB acknowledges that your application submission gives us your consent to it.

① **Privacy policy:**

Any personal information provided to us will be used for the sole purpose of coordinating and administering your visit to the National Institute for Basic Biology. As such, it will be managed in a responsible manner, and will not be used beyond the purview detailed above. Please contact us should you feel that the information that you have submitted is being improperly handled, if you have an inquiry concerning the degree to which your personal information could be made public, or if you wish to amend any submitted information that you believe to be inaccurate.

※ If you acknowledge and consent to the terms listed above, please provide your information to us.

※ You have the right to withdraw your agreement to these terms at any time. Should you choose to do so, there will be no effect on the legality of the operation or implementation.

② **Insurance:**

NIBB will provide a health insurance program for the participants of the NIBB Internship Program which is effective throughout the entire duration of the program, except for those who are students at a university in Japan.

We strongly recommend that you buy an international travel insurance due to its coverage may be insufficient.

The insurance plan provided:

When you receive medical treatment for injuries caused by accidents or diseases developed while attending the Internship program, all medical treatment expenses up to 1 million yen, in principle, shall be paid by the insurance company. Please note there are some cases that are not covered by the program. For example, damage or injury caused by the participant's own fault.

③ **Requirements:**

During the period of the program you shall follow the instructions by the mentor of the host laboratory.

④ **Support for international airfare and accommodation costs:**

NIBB provides the round international airfare, and transportation fee incurred in Japan, and accommodation costs at the arranged lodge. NIBB do not provide the daily allowances for staying, so you need to prepare for it.

⑤ **Visa:**

If the country of your nationality and Japan do NOT have a Visa Exemption Agreement, you require a visa in order to enter Japan. NIBB will issue the necessary documents that you need to apply for a short-term stay visa.

⑥ **Possibility of cancellation:**

The internship program may change depending on the situation of global COVID-19 pandemic or others caused by the unprecedented incidents. If any changes occur, the participants will be notified directly.
