•Approval from your department head is required every year, even if you are applying for continuation. Please be sure to obtain the approval of your department head before submitting the application form.

•Applications with exactly the same content as the previous year will not be accepted. Please be sure to provide a reason why a continuation of the application is necessary based on the progress you made.

•If you have changed your research project title, please select "New project" for the question "Is this a New or Ongoing project?"

The process of applying for continuation of an approved application is completed.

If you have any questions about NOUS, please do not hesitate to contact to us.
