How to enable Single Sign On for NOUS with Google account
What is Single Sign On?

When you use several Web systems and log into any one of them, you do not have to log into the other systems if you could use Single Sign On.

Thus if you set up SSO, you do not have to use two-Step Verification for logging into NOUS and could simplify the process.

If you want to use SSO for NOUS login, you can enable it with a system called Shibboleth or a Google account.* If you want to use Shibboleth for SSO, please refer to the manual "How to enable Single Sign On for NOUS with Shibboleth " on the Institute's website.

---

**NOTE**

Only users who fulfill the following requirements can use Single Sign On for logging into NOUS:

>>For using Shibboleth:
- Your institute is authenticated as a member of Academic Access Management Federation in Japan (GakuNin*).
- Your institute give permission to use Single Sign On for NOUS.

Please ask person in charge at your institute if you would like to know whether you could use SSO or not.

*If you would like to know more about GakuNin and Shibboleth, please check the following URL. (https://www.gakunin.jp/en)

>>For using Google account:
- You will need a Google account.
In order to activate Single Sign On, you need to log into NOUS with two-step verification and set it up from My Page at first.

The first step is to log in to NOUS with two-step verification. If you want to know how to log into NOUS, you can find guidelines in English on the Institute's website.
Open the login page for NOUS from here (https://nous.nins.jp/user/signin) and log in to NOUS by using two-step verification.
After entering My Page, please click the button "Login Settings" in the green bar at the upper part of the screen.
Check the instructions for linking your Google account with NOUS, then click the button.
シングルサインオンに利用するGoogleアカウントをクリックしてサインインしてください。
Please select your institute from the drop-down list.
After selecting your institute, please select the button 「選択(Select)」.
Then you could see the login page of your institute. Please enter ID/Username and password and log into the system. (*The example is login page of IMS.)
Please register your institute to skip the above process by clicking 「所属機関を保存して次へ(Please select your institute and go to the next step.)」

*The whole Japanese description above the buttons says:
“The whole Japanese description above the buttons says:
If you register your institute, you could skip the process of selecting your institute next time you visit the system with the same browser. Your selected institute is below:”
At this point, Shibboleth has been set up. Please confirm that the 「アカウントの関連付けが完了しました(Your account is authenticated for Shibboleth.)」 message has been displayed at the upper part of the screen.
Please go back to login page (https://nous.nins.jp/user/signin) and click the button.

Please do not enter your ID or password in upper entry fields.
The process of enabling Single Sign On for NOUS with Shibboleth is completed.

Please follow the instructions the Gakunin system at your institute indicates and log into NOUS. After this setting, you do not need to perform two-step verification using the authentication key.

Adding a collaborative researcher (collaborator/assistant researcher/participant)

After logging into NOUS, click [edit] or title of application and go to the application form editing screen.

The account information of the collaborators on NOUS can only be updated during the open call period. If you would like to change your account information after the deadline of the call, please contact the Joint Research Section.
Click on the “4.組織(members)” tab to open the registration page for collaborative researcher.
Click on [add] at the bottom of the screen to increase the number of fields for the Collaborative Researcher.

提案代表者: Proposal Representative
共同利用研究者: Collaborative Researcher
研究補助者: Assistant researcher
Click on the grayed-out area in the “共同利用研究者(Collaborative Researcher)” and/or “研究補助者(Assistant researcher)” information field.
When the "研究者確認(identify researcher)" window pops up, search for the member you want to add in the researcher search field. When you enter a researcher's name, affiliation, or email address, a list of potential researchers registered in the NOUS database will be displayed.

If you see more than three candidates in the list, you will need to refine your search by adding additional condition. If you do not see the corresponding researcher, click 新しい研究者を登録する (register new person) to register a new researcher.
If you would like to register a new researcher please go to page 9-12.

Click 選択 Select when appropriate researcher is displayed.
Registering a new researcher

If the corresponding researcher is not registered in the NOUS database, please click on (register new person) to register a new researcher by yourself.
Please read the instructions for handling personal information (*) and click Accept.

(*) Full text of the explanation of the handling of personal information

With the consent of the principal investigator, personal information provided in the application form will be provided to parties not affiliated with the National Institutes of Natural Sciences (NINS) to the extent necessary for the review of the application, and will be used by NINS and the relevant research term(s) for the purpose of conducting joint research, management and statistical processing. In addition, your name, affiliation, and job title may be displayed on the screen when you complete the application form in NOUS. The personal information provided in the application form will not be used for any purpose other than those described above.
Please fulfill the researchers information.

Fields marked with a red asterisk (*) (Name, Family Name, First Name, E-mail address, Institute, Department, Job title) are required.
After fulfilling the blanks, click 新しい研究者を登録する (register new person) and a new researcher's information on NOUS database will be created.

If the error pop "使用済のメールアドレスです。登録できません“ is displayed, please search again from the "研究者確認(identify researcher)", as the researcher is considered to be already registered. If you still cannot find the researcher's information, please contact the Joint Research Section.
Once you have updated your application, click on **Save App.** in the green bar at the top left of the application form to temporarily save the updated information.

The researcher information will be reflected in the application form.

The process of adding a collaborative researcher is completed.
How to temporally save an application
Click on **Save App.** in the green bar at the top left of the application form to temporarily save the updated information.

With the consent of the principal investigator, personal information provided in the application form will be provided to parties not affiliated with the National Institutes of Natural Sciences (NINS) to the extent necessary for the review of the application, and will be used by NINS and the relevant research term(s) for the purpose of conducting joint research, management and statistical processing. In addition, your name, affiliation, and job title may be displayed on the screen when you complete the application form in NOUS. The personal information provided in the application form will not be used for any purpose other than those described above.
Please fulfill the researchers information.

Fields marked with a red asterisk (*) (Name, Family Name, First Name, E-mail address, Institute, Department, Job title) are required.

If you need to change an item that cannot be edited (name, family name, etc.), please let the section in charge know. See the inquiry below.

If you see the error message “The email address is already registered”, please go back to the Researcher Search screen and select an existing account.
After fulfilling the blanks, click "所属を追加する" (add affiliation).
Once you have updated your application, click on **Save App.** in the green bar at the top left of the application form to temporarily save the updated information.

The process of updating a collaborative researcher’s information is completed.
How to check your review result via NOUS
BEFORE YOU READ THIS GUIDELINE...

NOTE:

• After logging into NOUS, you can use your MY PAGE, which is your own account page on NOUS. It provides you with four contents, such as New applications, Approved applications, Completed applications last year and Expired applications.

• If your application is approved, it will be listed in “Approved applications”. If you can not find your project listed in Approved applications, your application is rejected. It will be listed in Expired applications.

If the application was approved in 2022 or later, the Reference number consists of last two digits of the year, the string NIBB and three digits of the serial number.
If the application was approved before 2021, the Reference number consists of last two digits of the year, a single hyphen and three digits of the serial number.

The process of check the approval date of your application and Reference number is completed.
How to submit your research report via NOUS
Please log into NOUS and go to your My Page.

Please log into NOUS from here. (https://nous.nins.jp/user/signin)

The guideline in English to log into NOUS is given below. (https://www.nibb.ac.jp/collabo/invite/nous.html)
There are four contents in My Page:

- New applications
- Approved applications
- Completed applications last year
- Expired applications

**New Applications**: list of the applications not being reviewed

**Approved applications**: list of the approved Collaborative Research Projects for Fiscal Year 2023.

**Completed applications last year**: list of the completed Collaborative Research Projects for Fiscal Year 2021 and 2022

**Expired applications**: list of the past projects and all of the rejected applications
Your Collaborative Research Projects conducted in Fiscal Year 2022 will be listed in [Completed applications last year].
Approved project of FY2022 Collaborative Research Project

Click on the button "report".
Please click [OK] to confirm.
Please check carefully as you will be shown instructions regarding the report and how to submit it. Scroll down the screen to see the explanation in English.
Click on the tab titled "Report" next to "Guideline."
The report entry form will appear.
After completing the report, be sure to submit it by clicking the "Submit App." button at the end. (Clicking the "Save App." button will temporarily save the file.)

We apologize, but due to current NOUS specifications, you will not receive a submission confirmation email even if you click on "Submit App. Basically, if you do not receive an error message, your submission is complete. Our staff will also check the status of your submission and will contact you later if we find that your application has not been submitted.
If you wish to submit a report for public release to protect some information, please click on the tab titled "file Upload" after submitting the regular report.

Please note that even if you submit a report for public release in word format, you must submit a undisclosed report that is text-entered into NOUS.
Please confirm that you have switched to the report upload screen.
Select the line “[For public release optional field] Collaborative Research Report” and upload the report you have prepared using the prescribed format from "Select File". (*)

(*) Click here for the form. https://www.nibb.ac.jp/collabo/uploads/NIBBcollabo_12.docx

For the Collaborative research projects for Trans-Scale Biology and or the Collaborative research projects for new model organism development, forms for submitting workshop or results debriefing session report will also be displayed. If you would like to submit a workshop or results debriefing session report for publication separately, please send a word document by e-mail to the Joint Research Section.
After selecting a report, click [Send] to the right of "Select File.

Reports can be uploaded as many times as you like within the deadline.
Please click [OK] for confirmation.
Check that the date of submission is visible and the report’s STATUS has changed to “Uploaded”
A confirmation email will be sent to you once the submission has been completed.

When you create a report by entering directly into NOUS and click "Submit App.", no notification email like this will be sent.
The process of submitting your research report via NOUS is completed.

You can download all available reports by clicking the [Upload] button.
If you have any questions about NOUS, please do not hesitate to contact to us. Alternatively, please contact your host laboratory first.
