

Poster Presentation

Okazaki Biology Conference, OBC 6 on

" *Marine Biology* "

December 2 -8, 2007

P01

" Identification of Hagfish Gonadotropin (GTH) and Its Evolutionary Implication "

NOZAKI, Masumi (Niigata Univ., Japan)

P02

" Self-Incompatibility System of the Ascidian, *Ciona intestinalis* "

HARADA, Yoshito (Nagoya Univ., Japan)

P03

" Skeletogenic Ability o Endomesoderm Region in Sea Urchin Macromere Descendant Cells "

KIYOMOTO, Masato (Ochanomizu Univ., Japan)

P04

" Molecular and Cellular Mechanisms of Glutamatergic and GABAergic Neuron Development in the Ascidian Larva "

KUSAKABE, Takehiro G. (Univ. Hyogo, Japan)

P05

" Oriental Lancelet in the Wild and in the Laboratory "

YASUI, Kinya G. (Hiroshima Univ., Japan)
